ACTION ITEMS

Any person who has been invited to speak or has requested to speak before the Trustees is requested to be brief and to limit his or her comments to five minutes or less, after identifying themselves by name and address for public record. When more than one person wishes to address the Trustees on a Consent Agenda item or Resolution, the proponents will be invited to speak first, followed by the opponents. The proponents will be given a brief period for rebuttal of any new information presented during the opponent's presentation, after which public comments will be concluded. Trustees will ask any questions at the conclusion of any public comments, prior to voting. The President, or presiding officer, may use reasonable discretion to limit or extend a speaker's time to avoid redundancy, to assure a thorough public discussion on matters before the Board, and to end discussion.

CONSENT AGENDA

Any Trustee may remove any item from the Consent Agenda to be addressed by the Board immediately following. Unless there is an exception, these items will be approved as one with a single vote of the Board. Public comment and Board approval is today.
